Senior Letters

- 200 letters
- These letters were meant to uplift seniors during the holidays.
- Letters were distributed to seniors when they picked up gifts from Family Giving Tree at the Senior Center.

Dear San Pablo Senior,

I hope this letter finds you well in the month of December! I would like to say thank you for making an impact on the world and the community throughout your life so far. I appreciate you for the willingness to stay strong, laugh, and constantly impact others who are around you. Although this year is coming to an end, I would like to acknowledge the amount of hard work, good times, and wonderful people you have meant that allowed you to grow as a person. During these times of December is a way for you to celebrate with friends, family, or even yourself to appreciate everything you have done this year and in the past. I wish you nothing but the best for the new year, and I can't wait to see what the future holds for you! Remember, always live life to your fullest no matter what!

Sincerely,

Jayden White
