# Employee Of the Month

## Mayra Corleto

Mayra Corleto is a 20+ year veteran of the City of San Pablo, Mayra is a paragon of leadership and service. Just this past year, Mayra completed the Contra Costa Local Government Leadership Academy, graduating with flying colors. She has also taken a lead role in training our incoming and promoted Permit Technician staff, and is a key member of the team that is bringing an upgraded on-line permit tracking system to San Pablo. Most recently, Mayra was selected to serve as one of the City's DEIB officers. Mayra has a big personality and keeps us all on our toes (and laughing)! She always has the best interests of the City of San Pablo in mind, including our customers and employees. She is a great reformer and does not hesitate to offer helpful advice on how we can improve our services and the worker experience. Mayra is a terrific employee and a local hero!
