MAY 2024

Employee Of the Month

Officer Joseph Spiegel

Officer Joseph Spiegel for the Employee of the Month award, recognizing his exceptional performance as a Recruit Training Officer at the Contra Costa County Police Academy.

Officer Spiegel was chosen to represent the San Pablo Police Department as a Recruit Training Officer for the 199th Basic Police Academy Class in Contra Costa County. From October 2023 to May 2024, he played a crucial role in training police recruits, two of whom have now joined our ranks as police officers in San Pablo.

Officer Spiegel's dedication, experience, and professional demeanor have made a significant positive impact on both the Academy staff and the recruits. His background as a uniformed officer and SWAT team operator was instrumental in shaping the future law enforcement officers. Despite the challenges of supervising and training a class of fifty-five recruits, Officer Spiegel excelled in his role.

His outstanding performance not only highlights his individual contributions but also elevates the reputation of our entire department. I wholeheartedly support this nomination as a testament to Officer Spiegel's exemplary work ethic and his contributions to the law enforcement community.
